

Barberry Woods:

Welcome to Barberry Woods which is a wonderful smaller community on Johns Island that is made up of only two streets, Split Hickory Court and Hickory Knoll. These are traditional and Charleston home styles – almost all of these floor plans have a front porch spanning the entire width of the home, and many boast double front porches.

Centrally located on Johns Island, Barberry Woods gives buyers a peaceful alternative to Downtown Charleston, West Ashley and Mt Pleasant prices and traffic.
