ARTICLE XV  
BYLAWS

Section 15.1. The Bylaws of the Council of Co-Owners shall be as set forth on Exhibit C attached hereto and made a part hereof.

ARTICLE XVI  
AMENDMENTS

Section 16.1. Amendments. This Master Deed shall be amended only by vote of Co-Owners owning seventy-five percent (75%) of the Units, at any meeting of the Council of Co-Owners duly called for such purpose, following written notice to all Co-Owners, except that no such amendment shall change the rights reserved to Declarant, the boundaries of any Unit, the undivided interest in the Common Elements appertaining thereto, the allocation of any Limited Common Element appertaining thereto, the liability for Common Expenses appertaining thereto, or rights to Common Profits appertaining thereto. No amendment shall be effective until recorded in the Register of Mesne Conveyance Office for Charleston County, South Carolina. Notwithstanding the foregoing, neither this Article XVI nor Article XXII hereof may be amended without the consent of the Declarant.

Section 16.2. By-Laws. The system of administration adopted by the By-Laws may be modified at anytime by the vote of the Unit owners representing two-thirds of all the percentage interests, but such modification shall not be operative until recorded in the same office as this Master Deed.

ARTICLE XVII  
POWER OF ATTORNEY TO BOARD OF DIRECTORS

Section 17.1. Each Co-Owner by the acceptance of a deed or by the exercise of any incident of ownership, grants to the Persons who shall, from time to time, constitute the Board of Directors an irrevocable power of attorney, coupled with an interest, to acquire title to or lease any Unit whose owner desires to surrender, sell or lease the same or which may be the subject of foreclosure of judicial sale, in the name of the Board of Directors or its designees, corporation or otherwise, on behalf of all Co-Owners; and to convey, sell, lease, mortgage or otherwise deal with any such Unit so acquired, or to sublease any Unit leased by the Board of Directors.

ARTICLE XVIII  
PERSONS AND UNITS SUBJECT TO CONDOMINIUM INSTRUMENTS

Section 18.1. Survival. All present and future Co-Owners, tenants, mortgagees and occupants of Units shall be subject to and shall comply with the provisions of the Condominium Instruments as they now exist and as they may be amended from time to time. The acceptance of a deed or the exercise of any incident of ownership or the entering into of a lease or the entering into occupancy of a Unit shall constitute agreement that the provisions of such Condominium Instruments are accepted and ratified by such Co-Owner, tenant, mortgagee or occupant, and all such provisions shall be deemed and taken to be covenants running with the land and shall bind any Persons having at any time any interest or estate in such Unit as though the provisions of this Section had been recited and stipulated at length in each and every deed, conveyance or lease thereof.

Section 18.2. Rules and Regulations. The Board of Directors may promulgate Rules and Regulations regarding the use and occupancy of Units and Common Elements, and the activities of occupants therein.

ARTICLE XIX  
TERMINATION

Section 19.1. Termination. The Co-Owners may remove the Property from the provisions of the Act and of the Condominium Instruments, by an instrument to that effect, recorded and containing the signatures of one hundred percent (100%) of the Co-Owners, provided one hundred percent (100%) of the holders of all liens affecting any of the Units consent thereto or agree in either case by recorded instruments that their liens be transferred to an undivided interest in the Property.

Section 19.2. Ownership. Upon the removal of the Property from the provisions of the Act and the Condominium Instruments, the Co-Owners shall be deemed to own the Property as tenants in common, with undivided interest in the same percentages as the undivided interests previously owned by each in the Common Elements.

Section 19.3. Resubmission. The removal provided for in this Article shall not bar the subsequent resubmission of the Property to the provisions of the Condominium Act.

ARTICLE XX  
BOUNDARIES; EASEMENTS FOR ENCROACHMENT

Section 20.1. Boundaries. The existing physical boundaries, as defined in the Condominium Instruments, of any Unit or Common Element now existing or as reconstructed in substantial conformity with the plot plans shall be conclusively presumed to be its boundaries, regardless of the shifting, settlement, or lateral movement of any dock, bulkhead or piling and regardless of minor variations between the physical boundaries as described in this Master Deed or shown on the condominium plan and the existing physical boundaries of any such Unit or Common Element. This presumption applies only to encroachments within the Condominium.

Section 20.2. Encroachments. If any portion of any Common Element encroaches on any Unit or if any portion of a Unit encroaches on any Common Element, as a result of the duly authorized repair of the Unit, a valid easement for the encroachment and for the maintenance of the same shall exist so long as the Dock System stands. The purpose of this Section is to protect the Co-Owners, except in cases of willful and intentional misconduct by them or their agents or employees, and not to relieve the Declarant or any contractor, subcontractor, or materialmen of any liability which any of them may have by reason of any failure to adhere substantially to the plot plans.

Section 20.3. Easement Granted to the Council of Co-Owners. There shall be and the Declarant does hereby grant a general easement in favor of the Council of Co-Owners upon, across, above, and under all of the property and improvements submitted herein, and expressly including the Units, for ingress, egress, installation, replacing, repairing, and maintaining the Common Elements, and in general for dredging, access, repair, maintenance, ingress and egress, and any other purposes reasonably related to the purposes, rights and duties of the Council of Co-Owners. By virtue of this easement, the Council of Co-Owners shall be expressly permitted to erect and maintain any necessary equipment on the Common Elements of the Regime, and to affix and maintain wires, conduits, cables, and the like on, above, across, under and through improvements in the Regime, including the Dock System and the Units. Should any person furnishing any service covered by this Section request a specific easement by separate recordable documents, the Council of Co-Owners shall have the right to grant such easement under the terms hereof.

Section 20.4. Destruction. If any part of the Condominium is destroyed partially or totally as a result of fire or other casualty or as a result of condemnation or eminent domain proceedings, and then is reconstructed, encroachment of any Unit on any Common Element, due to such

reconstruction, shall be permitted and valid easements for such encroachments and the maintenance of them shall exist so long as the Unit exists.

ARTICLE XXI  
NO SEVERANCE OF OWNERSHIP

Section 21.1. No Co-Owner shall execute any deed, mortgage or other instrument conveying or mortgaging title to his Unit without including therein the Appurtenant Interests, it being the intention to prevent any severance of such combined ownership. Any such deed, mortgage or other instrument purporting to affect one or more such interest, without including all such interests, shall be deemed and taken to include the interest of interests so omitted, even though the latter shall not be expressly mentioned or described therein. No part of the Appurtenant Interests of any Unit may be sold, transferred or otherwise disposed of, except as part of a sale, transfer or other disposition of the Unit to which such interests are appurtenant.

ARTICLE XXII  
DECLARANT'S RIGHTS RESERVED

Section 22.1. As long as the Declarant is a Co-Owner, the Declarant and its duly authorized agents, representatives and employees may maintain and show its Units for sale and lease Units.

Section 22.2. The Declarant reserves the right to perform such work and repairs on the Property, other than Units which Declarant does not own; and the further right to control all such work and repairs, and the right of access thereto, until its completion. The Declarant reserves the right to any recovery or repayment allocable to the Property, whenever received, with respect to reconstruction of the bulkhead along Morgan Creek occurring prior to the date of this Master Deed.

Section 22.3. The Declarant reserves the right to post signs and displays in the Common Elements to promote sales of Units, and to conduct general sales activities, in such manner as will not unreasonably disturb the rights of Co-Owners.

Section 22.4. So long as the Declarant owns any Unit for sale in the ordinary course of business, no action may be taken by the Council of Co-Owners that would be detrimental to the sales of Units by the Declarant without written agreement thereto by the Declarant.

ARTICLE XXIII  
CONDEMNATION

Section 23.1. Common Elements. If any part of the Condominium shall be taken or condemned by any authority having the power of eminent domain, such that no Unit, nor Limited Common Element appurtenant thereto is taken, all compensation and damages for and account of the taking, exclusive of compensation for consequential damages to certain affected Units, shall be payable to the Council of Co-Owners, or a Trustee, either as trustee for all Co-Owners and mortgagees according to the loss or damages to their respective interests. The Council of Co-Owners, acting through the Board of Directors, shall have the right to act on behalf of the

Co-Owners with respect to the negotiation and litigation of the issues with respect to the taking and compensation affecting the Common Elements, without limitation on the right of the Co-Owners to represent their own interests. Such proceeds shall be used in accordance with the provisions of the Bylaws. Nothing herein is to prevent Co-Owners whose Units are specifically affected by the taking or condemnation from joining in the condemnation proceedings and petitioning on their own behalf for consequential damages relating to loss of value of the affected Units, or personal improvements therein, exclusive of damages relating to Common Elements. In the event that the condemnation award does not allocate consequential damages to specific Co-Owners, but by its terms includes an award for reduction in value of Units without such allocation, the award shall be divided between the affected Co-Owners and the Council of Co-Owners or Trustee, as their interests may appear.

Section 23.2. Units. If part or all of the Condominium shall be taken or condemned by any authority having the power of eminent domain, such that any Unit or a part thereof (including Limited Common Elements assigned to any Unit) is taken, the Council of Co-Owners shall have the right to act on behalf of the Co-Owners with respect to the Common Elements as in Section 23.1 hereinabove, and the proceeds shall be payable as outlined therein. The Co-Owners directly affected by such taking shall represent and negotiate for themselves with respect to the damages affecting their respective Units. The awards so made shall be distributed through the Council of Co-Owners or Trustee first to restore the Units and common elements of the Condominium in the same manner as provided for restoration under the Bylaws to the extent possible, attempting to rebuild docks containing new Units of the same number, size and basic plan as the Units taken with any excess award distributed in accordance with the provisions of the Bylaws. In the event that the Board of Directors determines that such a taking so removes land and docks containing Units that they cannot effectively be restored or replaced substantially in compliance with the dock plans, and unless seventy-five percent (75%) of the Co-Owners and holders of first mortgages encumbering seventy-five percent (75%) of the undivided interest in the Common Elements subject to mortgages vote to accept an alternative plan, then the Council of Co-Owners shall submit the issue to arbitration in accordance with the Rules of the American Arbitration Council of Co-Owners for remedies with respect to the continued existence or reform of the Condominium, the division of the award as to the taken and remaining Units, and such other remedies as may be required.

#### ARTICLE XXIV INSURANCE

Section 24.1. The Council shall insure the Property against risks, without prejudice to each Co-Owner to insure that Owner's Unit for that Owner's account and benefit. In case of fire or any other disaster, all insurance proceeds attributable to the Dock System shall be used to reconstruct the Dock System to equal or better condition than the Dock System prior to the casualty; provided, however, that the construction shall not be compulsory when the damage comprises the whole or to the extent of eighty (80%) percent of the then replacement cost of the Dock System. In such case, if unanimously agreed upon by all Co-Owners of Dock Units and the holders of mortgage liens affecting at least seventy-five (75%) percent of the Dock Units subject to mortgages, the insurance proceeds shall be delivered pro rata to such Co-Owners, after any cleanup and removal of the Dock System remnants, in accordance with the Bylaws or in accordance with the decision of ninety (90%)

percent of the affected Co-Owners if there is no Bylaw provision. In the event insurance proceeds are insufficient to cover the cost of reconstruction, the unfunded rebuilding cost shall be a Common Expense. Each Unit owner shall carry, at such owner's expense, liability insurance with commercially reasonable limits covering the Unit owner's vessels or facility and Unit, and naming the Council of Co-Owners as an insured.

ARTICLE XXV  
MORTGAGEES

Section 25.1. Rights of Mortgagee. Notwithstanding anything contained in the Condominium Instruments to the contrary, any right of first refusal granted to the Council shall not impair the rights of a first mortgagee, including, if applicable, for all sections of this Article XXV, the Declarant, to any Unit to (1) foreclose or take title to a Unit pursuant to the remedies provided in the Mortgage; or (2) accept a deed (or assignment) in lieu of foreclosure in the event of default by a mortgagor; or (3) sell or lease a Unit acquired by the mortgagee, but subject to this Master Deed.

Section 25.2. Title. Any first mortgagee obtaining title to a Unit pursuant to the remedies provided in the mortgage or foreclosure of the mortgage will not be liable for such Unit's unpaid assessments or Common Charges which accrue prior to the acquisition of title to such Unit by the mortgagee.

Section 25.3. Notices. In addition to any other notices required to be given by the Council of Co-Owners to holders of first mortgage liens on Units, the following notices shall be provided to all such mortgagees to which the Council of Co-Owners has written notice:

- (a) Written notice at least thirty (30) days prior to the effective date of any amendment to the Master Deed or the Bylaws.
- (b) Written notice of any default by any Owner whose Unit is subject to a mortgage lien, given to such lien holder, of any obligation of such Owner provided for in the Master Deed or the Bylaws on which default is not cured within thirty (30) days after the same shall occur.
- (c) Written notice to mortgagees of record of substantial damage or destruction to the Dock System.

ARTICLE XXVI

Section 26.1. Captions. The captions contained in the Condominium Instruments are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of the Condominium Instruments nor the intent of any provision thereof.

Section 26.2. Gender. The use of the masculine gender shall be deemed to refer to the feminine and neuter gender and the use of the singular shall be deemed to include the plural, and vice versa, whenever the context of the Condominium Instruments so require.

Section 26.3. Waiver. No provision contained in the Condominium Instruments shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

Section 26.4. Invalidity. The invalidity of any provision of the Condominium Instruments shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder, and in such event, all of the other provisions of the Condominium Instruments shall continue in full force and effect.

Section 26.5. Conflict. The Condominium Instruments are intended to comply with the requirements of the Condominium Act and all other applicable laws. In the event of any conflict between the Condominium Instruments and the provisions of the statutes, the provisions of the statutes shall control. In the event of any conflict between this Master Deed and any other Condominium Instrument, this Master Deed shall control.

Section 26.6. Execution of Documents. The President or Secretary of the Council of Co-Owners are responsible for preparing, executing, filing and recording amendments to the Condominium Instruments.
