

Grand Pavilion

Pre-approved Color Chart

Painting of Grand Pavilion homes requires a Wild Dunes Community Association (WDCA) Architectural Review Committee (ARC) building permit. This includes repainting and color changes. The colors listed below are the proposed colors. These colors were matched as closely as possible with the previously approved colors no longer available. Since they are a match they may not be an exact match to your existing color and there may be slight difference. If a color change is requested the ARC will consider neighboring homes so that two homes in the area not the same color. All paint colors are Sherwin Williams paints.

TRIM COLORS

SW6119 – ANTIQUE WHITE or SW7005 – PURE WHITE

SHUTTERS

The shutters can be an approved color from the below list or a color can be presented to the ARC for approval. The ARC has considered possible shutter colors that matched well with the approved colors.

FRONT DOOR, GARAGE DOOR AND ACCENTS

All front door, garage door and accents require ARC approval.

BODY AND FOUNDATION

The ARC prefers that your exterior color selection to be from the pre-approved color list below. However, an alternate color may be submitted for the ARC to review.
